

Mass Notification

Keep everyone informed before, during and after a critical event

Keep your people safe and business running – with the industry leader in Critical Event Management

Critical events happen every day: severe weather, workplace violence, active assailants, operational disruptions, IT and power outages.

Everbridge Mass Notification enables you to connect and inform your entire organization in an emergency – within seconds. Facilitate two-way communication and mobilize your response team. Know your people are safe and your operations, supply chains and brand reputation are protected.

Reach the right people, with the right message, at the right time

Broadcast to virtually any communication device and channel. Deliver spoken alerts with text-to-speech technology. Send notifications to individuals and groups using lists or geo-fencing. Draw virtual boundaries around a critical event and trigger automated alerts when a device enters the area. Send messages globally with multi-lingual support.
