

Cookie policy

Does Everbridge use cookies?

Everbridge uses cookies and similar technologies like pixels and tags to ensure that we give you the best possible experience on our website.

A cookie is a small file placed onto your device. Cookies enable us to identify your device, and enable the functionality of many Everbridge features, including your ability to log into your account.

If you don't want to receive cookies, you can change your browser settings. If you use Everbridge without changing your browser settings, we'll assume that you're happy to receive all cookies on the Everbridge website. Please note that the Everbridge site will not work properly without cookies.

Trusted partners like Google Analytics provides us analytics to track our performance. Please read their privacy policies to ensure that you're comfortable with the manner in which they use cookies.

What types of cookies does Everbridge use?

Everbridge uses two types of cookies, persistent and session. A persistent cookie is set once you've logged in to your Everbridge account for identity management and access control.

A session cookie is used to identify a particular visit to the Everbridge website. Session cookies expire after a short time, or when you close your web browser.

When does Everbridge put cookies on my device?

Cookies may be set by Everbridge when you visit Everbridge.com, or they may be set by other websites or services who run content on the page you're viewing (known as third-party cookies).

You can also learn more about Everbridge's advertising practices by reading our [Privacy Policy](#).

What are cookies used for?

Cookies can be used to do lots of different things, like recognize you when you navigate to Everbridge's site, storing your preferences and improving your experience. Cookies also make your interactions with Everbridge more secure, faster, and help us ensure that your Everbridge experience is personalized to you and in line with

your settings. Everbridge uses cookies for a number of purposes, including:

Authentication

- Everbridge uses cookies to recognize you if you are logged in to Everbridge, so that we can show you the right information and personalize your experience.

Security

- Everbridge uses cookies to support or enable security features we have deployed, and to help us detect malicious activity and violations of our Terms of Use.

Preferences, features and services

- Everbridge uses cookies to know which language you prefer, what your communications preferences are, and they help you fill out forms on Everbridge. Plus they provide you with features, insights, and customized content through our plugins.

Performance, analytics and research

- Everbridge uses cookies to help us learn how well our site and plugins perform across the globe. We also use cookies to understand, improve, and research products, features, and services, including when you access Everbridge from other websites, applications, or devices such as your work computer or your mobile device.

Managing cookies

You can manage website cookies in your browser settings, and you always have the choice to change these settings by accepting, rejecting, or deleting cookies. If you choose to change your settings, you may find that certain functions and features of our website will not work as intended. All browser settings are slightly different, so to manage cookies, you should refer to the relevant settings within your browser.
