Key benefits

- **Know:** Access our one-call comprehensive traveler assistance service, designed to support your organization during events that could impact the health, safety, or well-being of corporate travelers and expatriates.
- **Respond:** Deliver 24/7 medical, security, and travel assistance promptly, ensuring immediate, expert support when faced with emergencies or disruptions.
- **Improve:** Use post-event insights to refine travel policies, enhance support mechanisms, and safeguard your workforce effectively in future scenarios.

Key features and outcomes:

- **24/7 multilingual assistance:** Provides immediate medical and security support for emergencies, routine care, and mental health support.
Outcome: Ensures employees' health concerns are addressed anytime, anywhere.
- **Comprehensive security support:** Offers expert advice and assistance during incidents like public disturbances, natural disasters, or security threats.
Outcome: Keeps employees safe and informed during critical situations.
- **Travel-related services:** Includes visa assistance, lost passport recovery, and emergency cash advances.
Outcome: Reduces stress and ensures smooth travel operations.
- **Global supplier network:** Offers vetted healthcare providers and localized support.
Outcome: Delivers fast, reliable care tailored to employees' specific needs worldwide.
- **Emergency incident response:** Handles evacuations, repatriations, and major crises.
Outcome: Protects employees in critical situations while ensuring business continuity.

What makes Everbridge Assist different?

- **Virtual assistance center:** Everbridge Assist unites clinicians, psychological support professionals, and security experts to deliver a seamless, coordinated response. Clinician-led medical assistance, supported by independent global clinical networks, ensures clients receive expert care in their own language, anytime, anywhere. Centralized risk management enables rapid intervention to safeguard health and ensure business continuity, with expert follow-up providing lasting peace of mind.
- **Emergency evacuations:** Using ground and air transportation, as well as close protection officers and local resources.
- **Integrated technology:** Delivers seamless, real-time functionality for effective emergency management. Powered by Purpose-built AI and industry-leading cloud-based systems for case management, telephony, and vendor coordination.

"Everbridge Assist ensured a life-saving medical evacuation, navigating complex logistics and challenges to safely transport our employee 3,000 km within 12 hours, demonstrating unparalleled care and expertise."

- **Risk Leader**, from a global biopharmaceutical company
