

Critical Event Management for Federal Agencies

The Only End-To-End Platform

Federal agencies rely on Everbridge during critical events such as active shooter situations, terrorist attacks, and severe weather conditions, as well as critical business events such as IT outages and cyber-attack incidents. Among the more than 60 federal agencies that Everbridge supports under its 13 ATOs are the U.S. Departments of Commerce, Energy, Interior, Defense, Justice, and Health and Human Services, as well as the U.S. Nuclear Regulatory Commission, the Consumer Financial Protection Bureau, the Federal Deposit Insurance Corporation, the Environmental Protection Agency, the Social Security Administration, the National Cancer Institute, and the Peace Corps.
